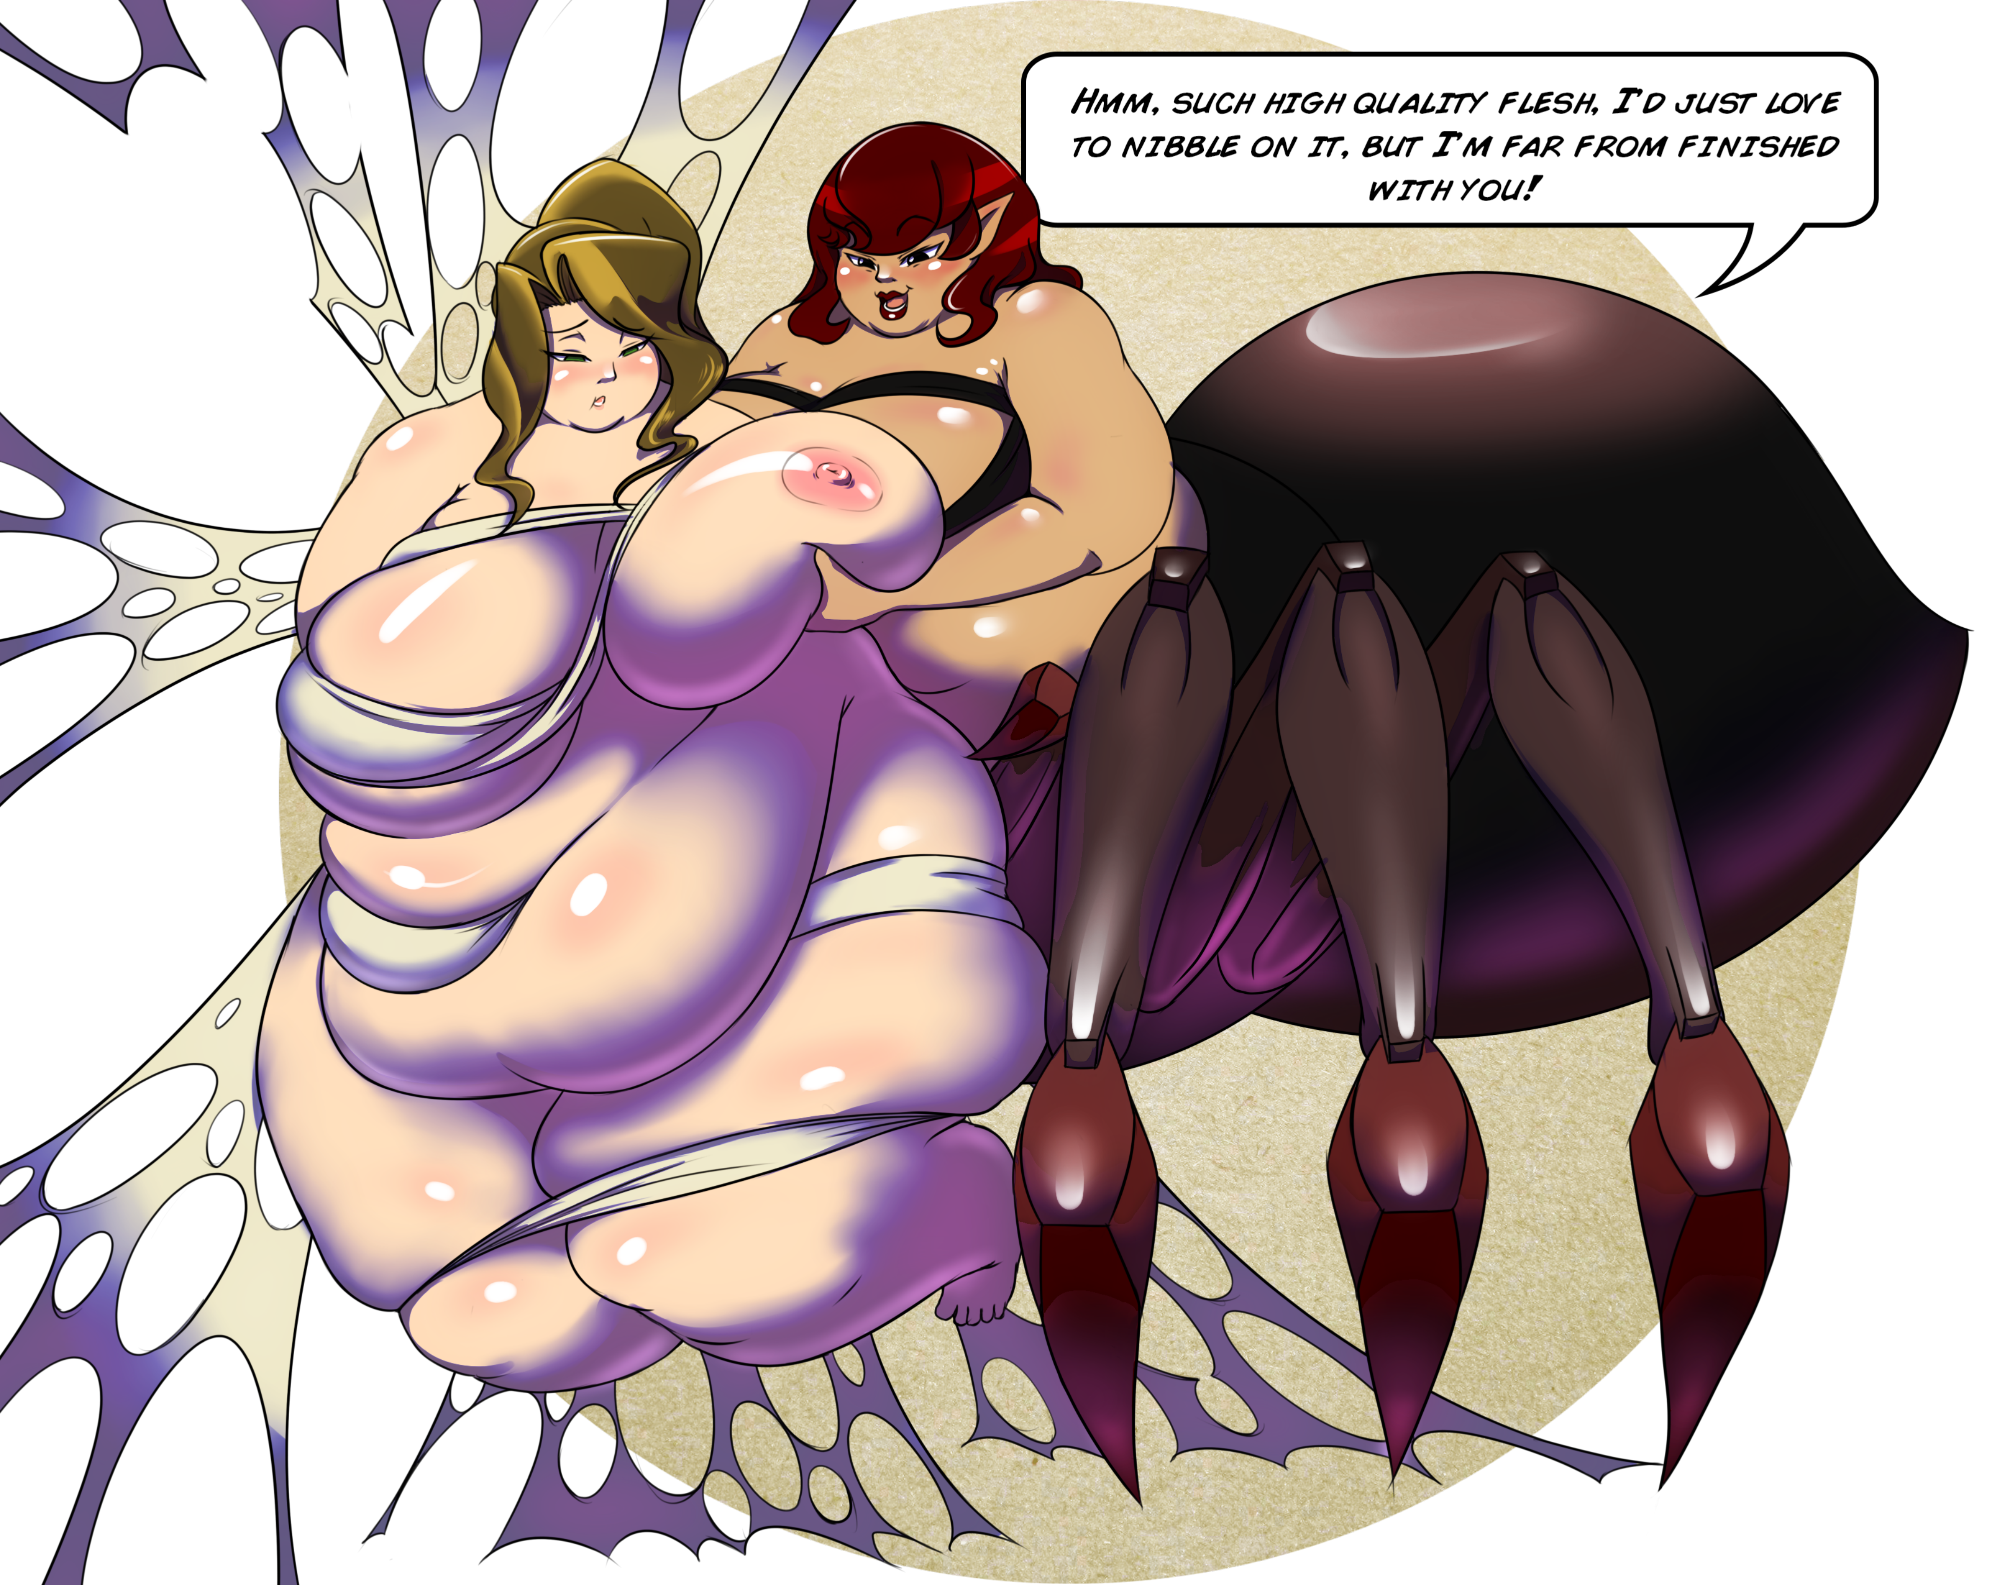
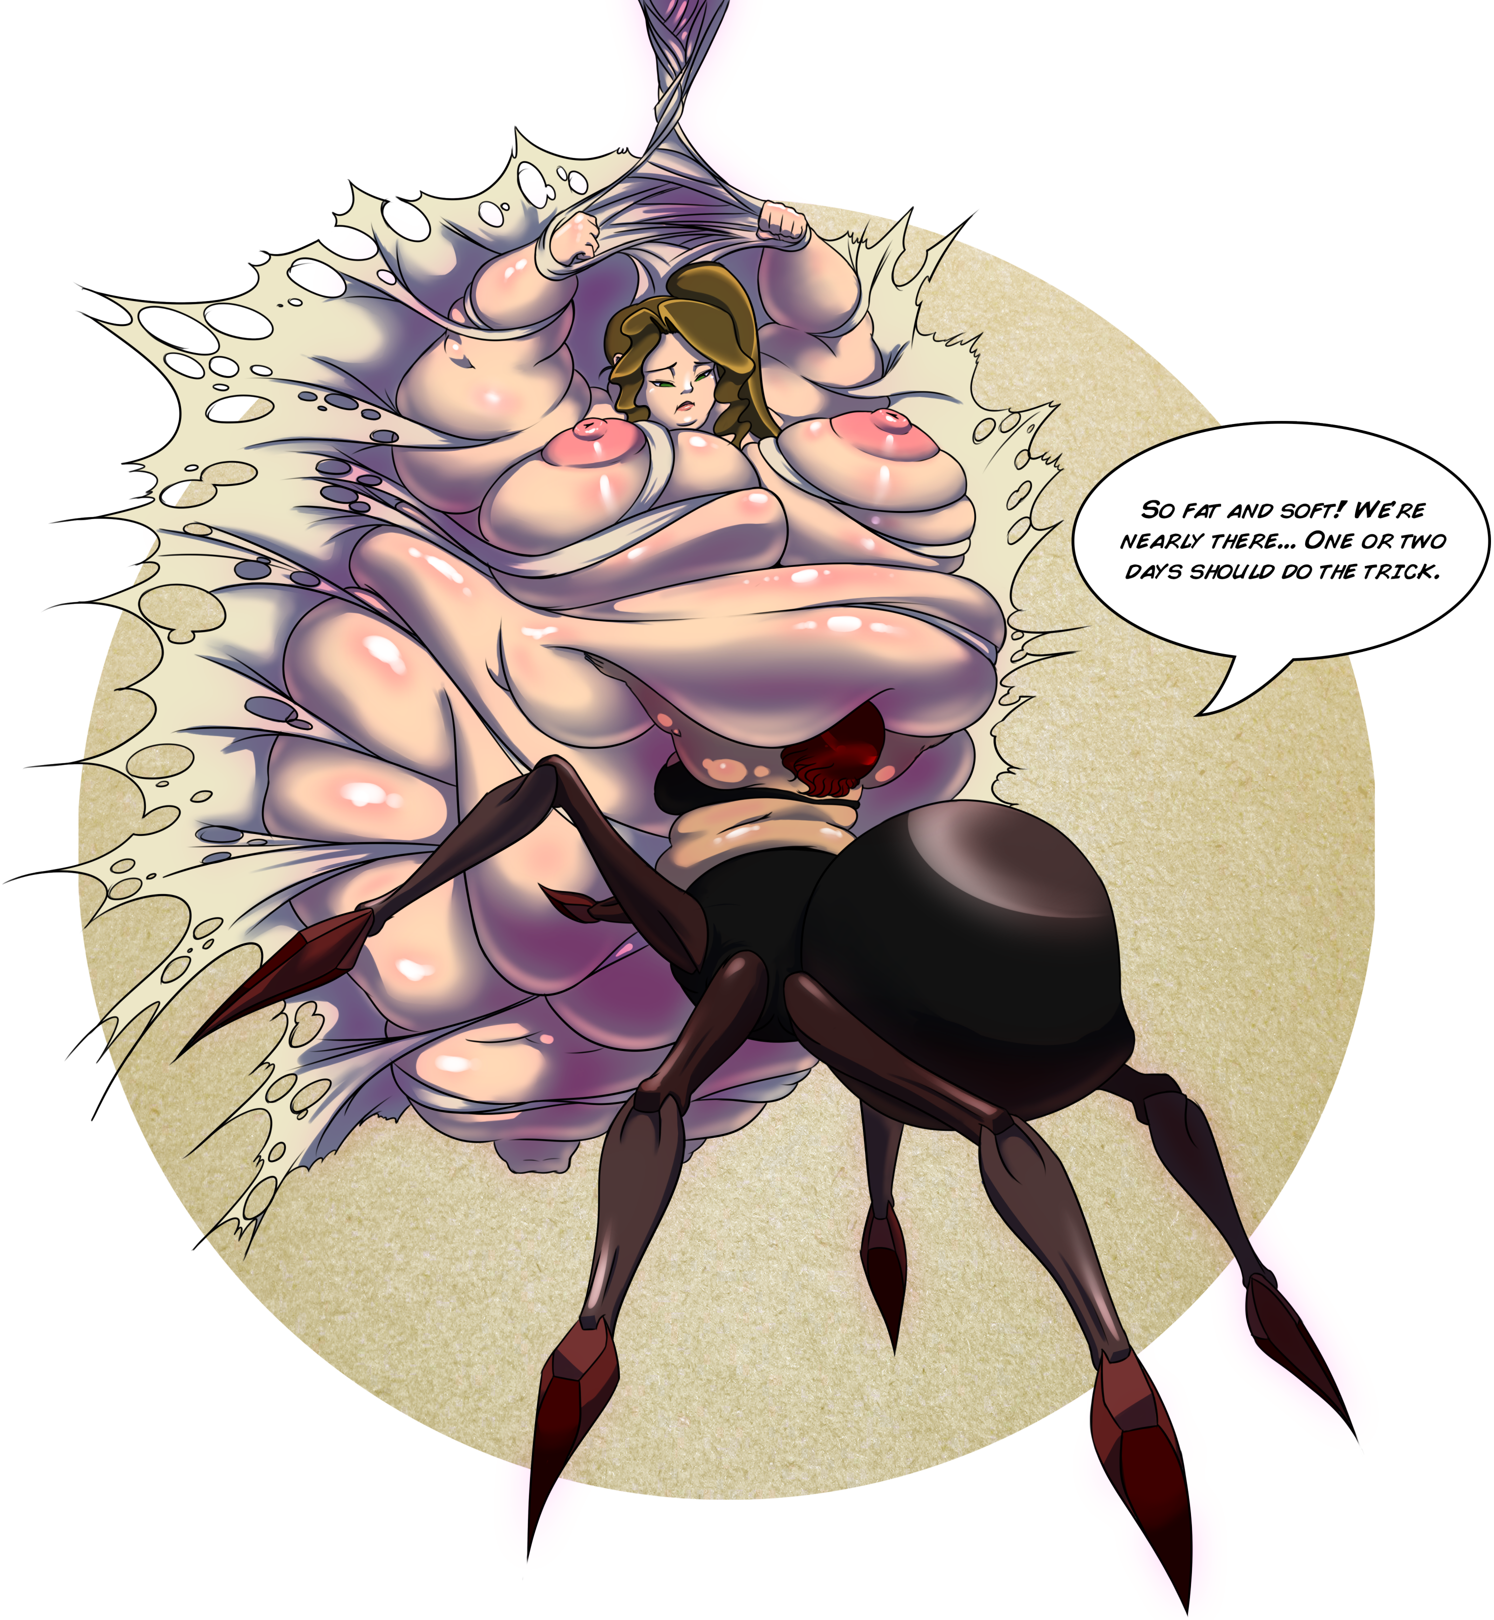
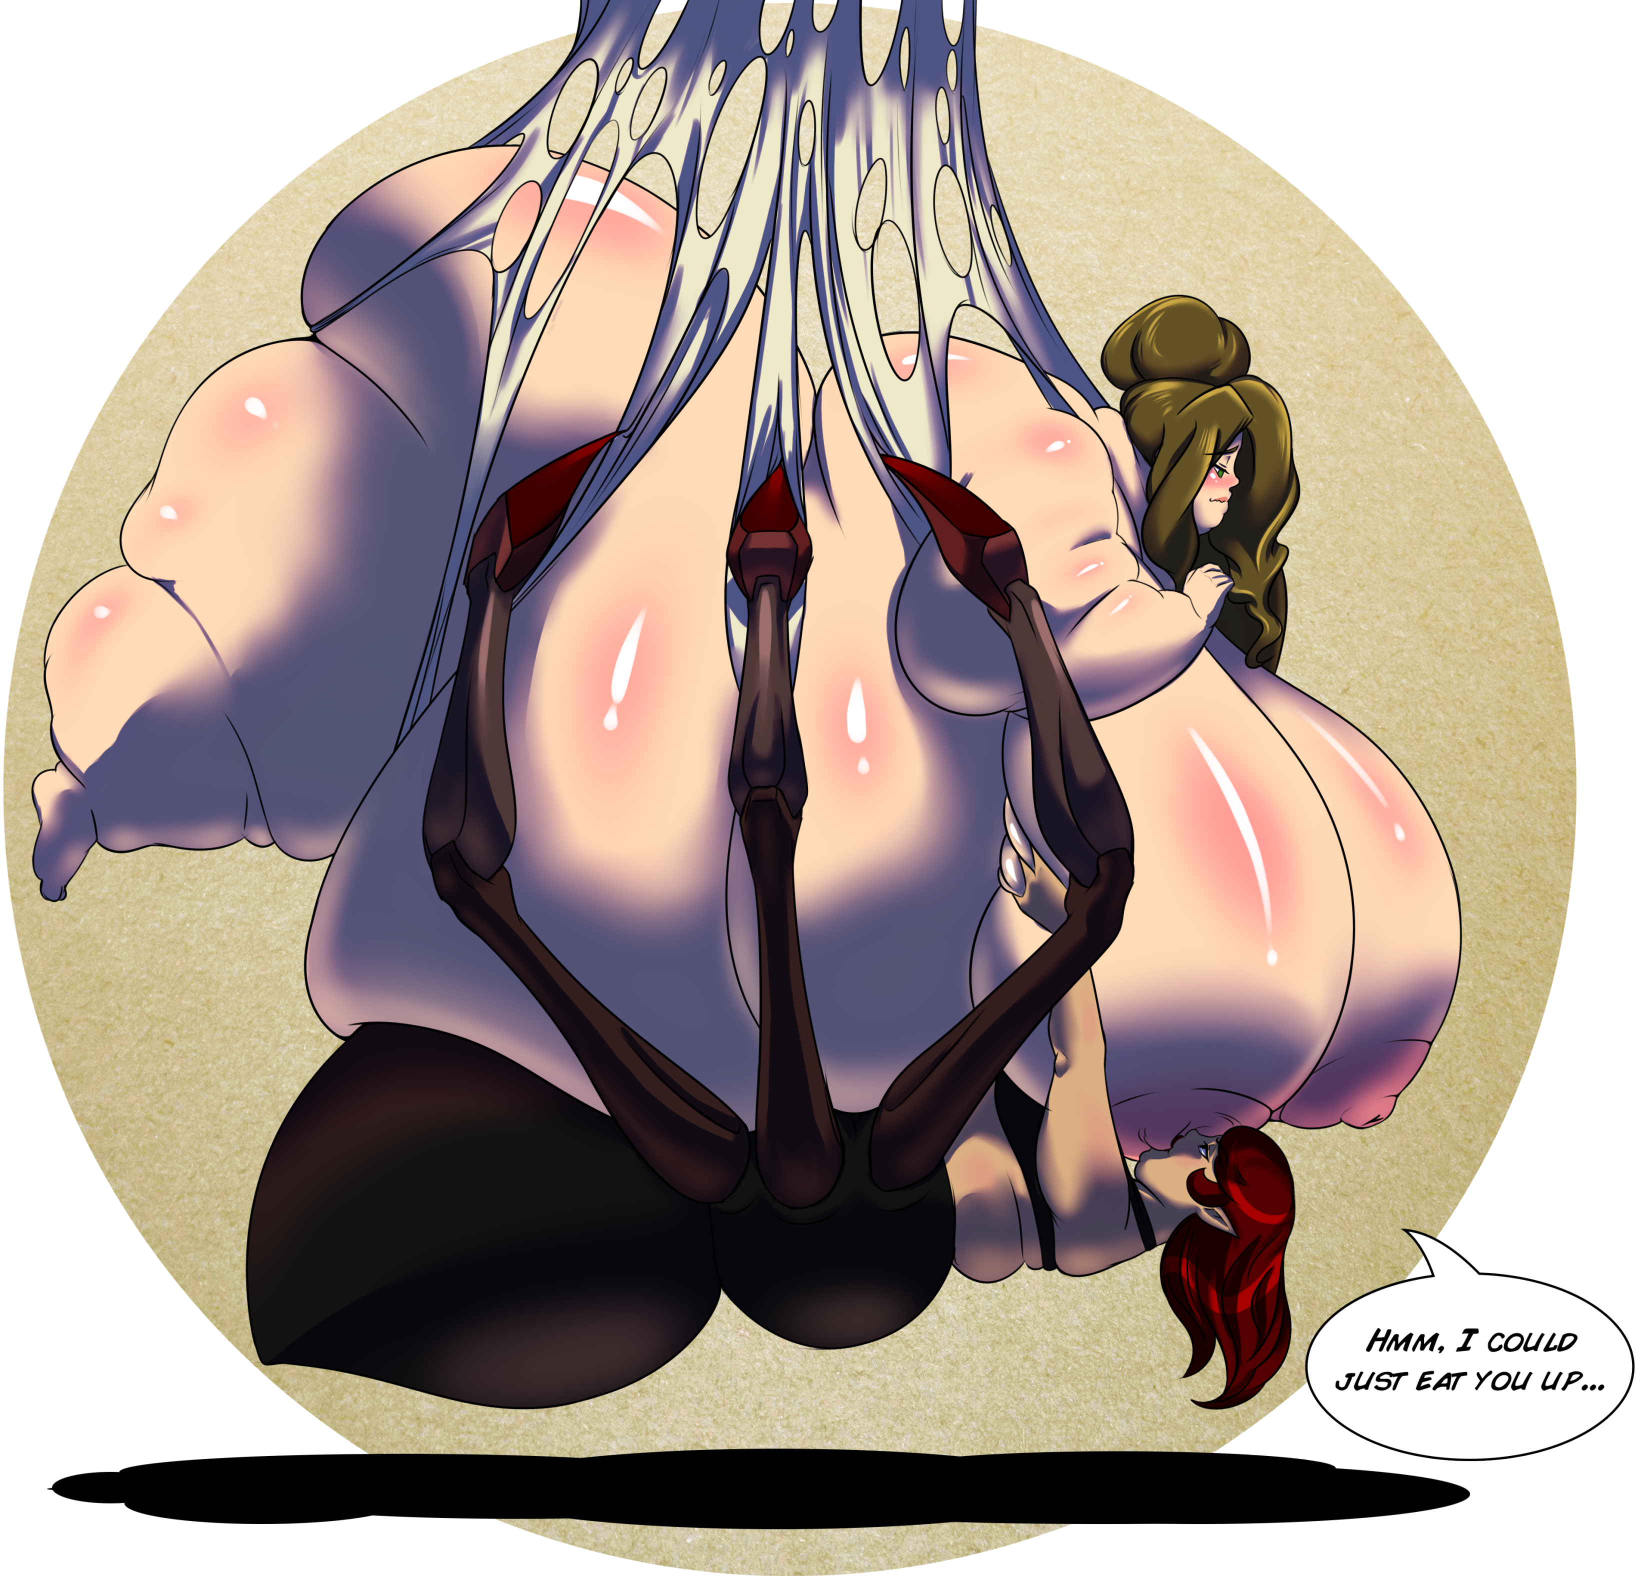
OH YES, YOU'LL FATTEN UP NICELY



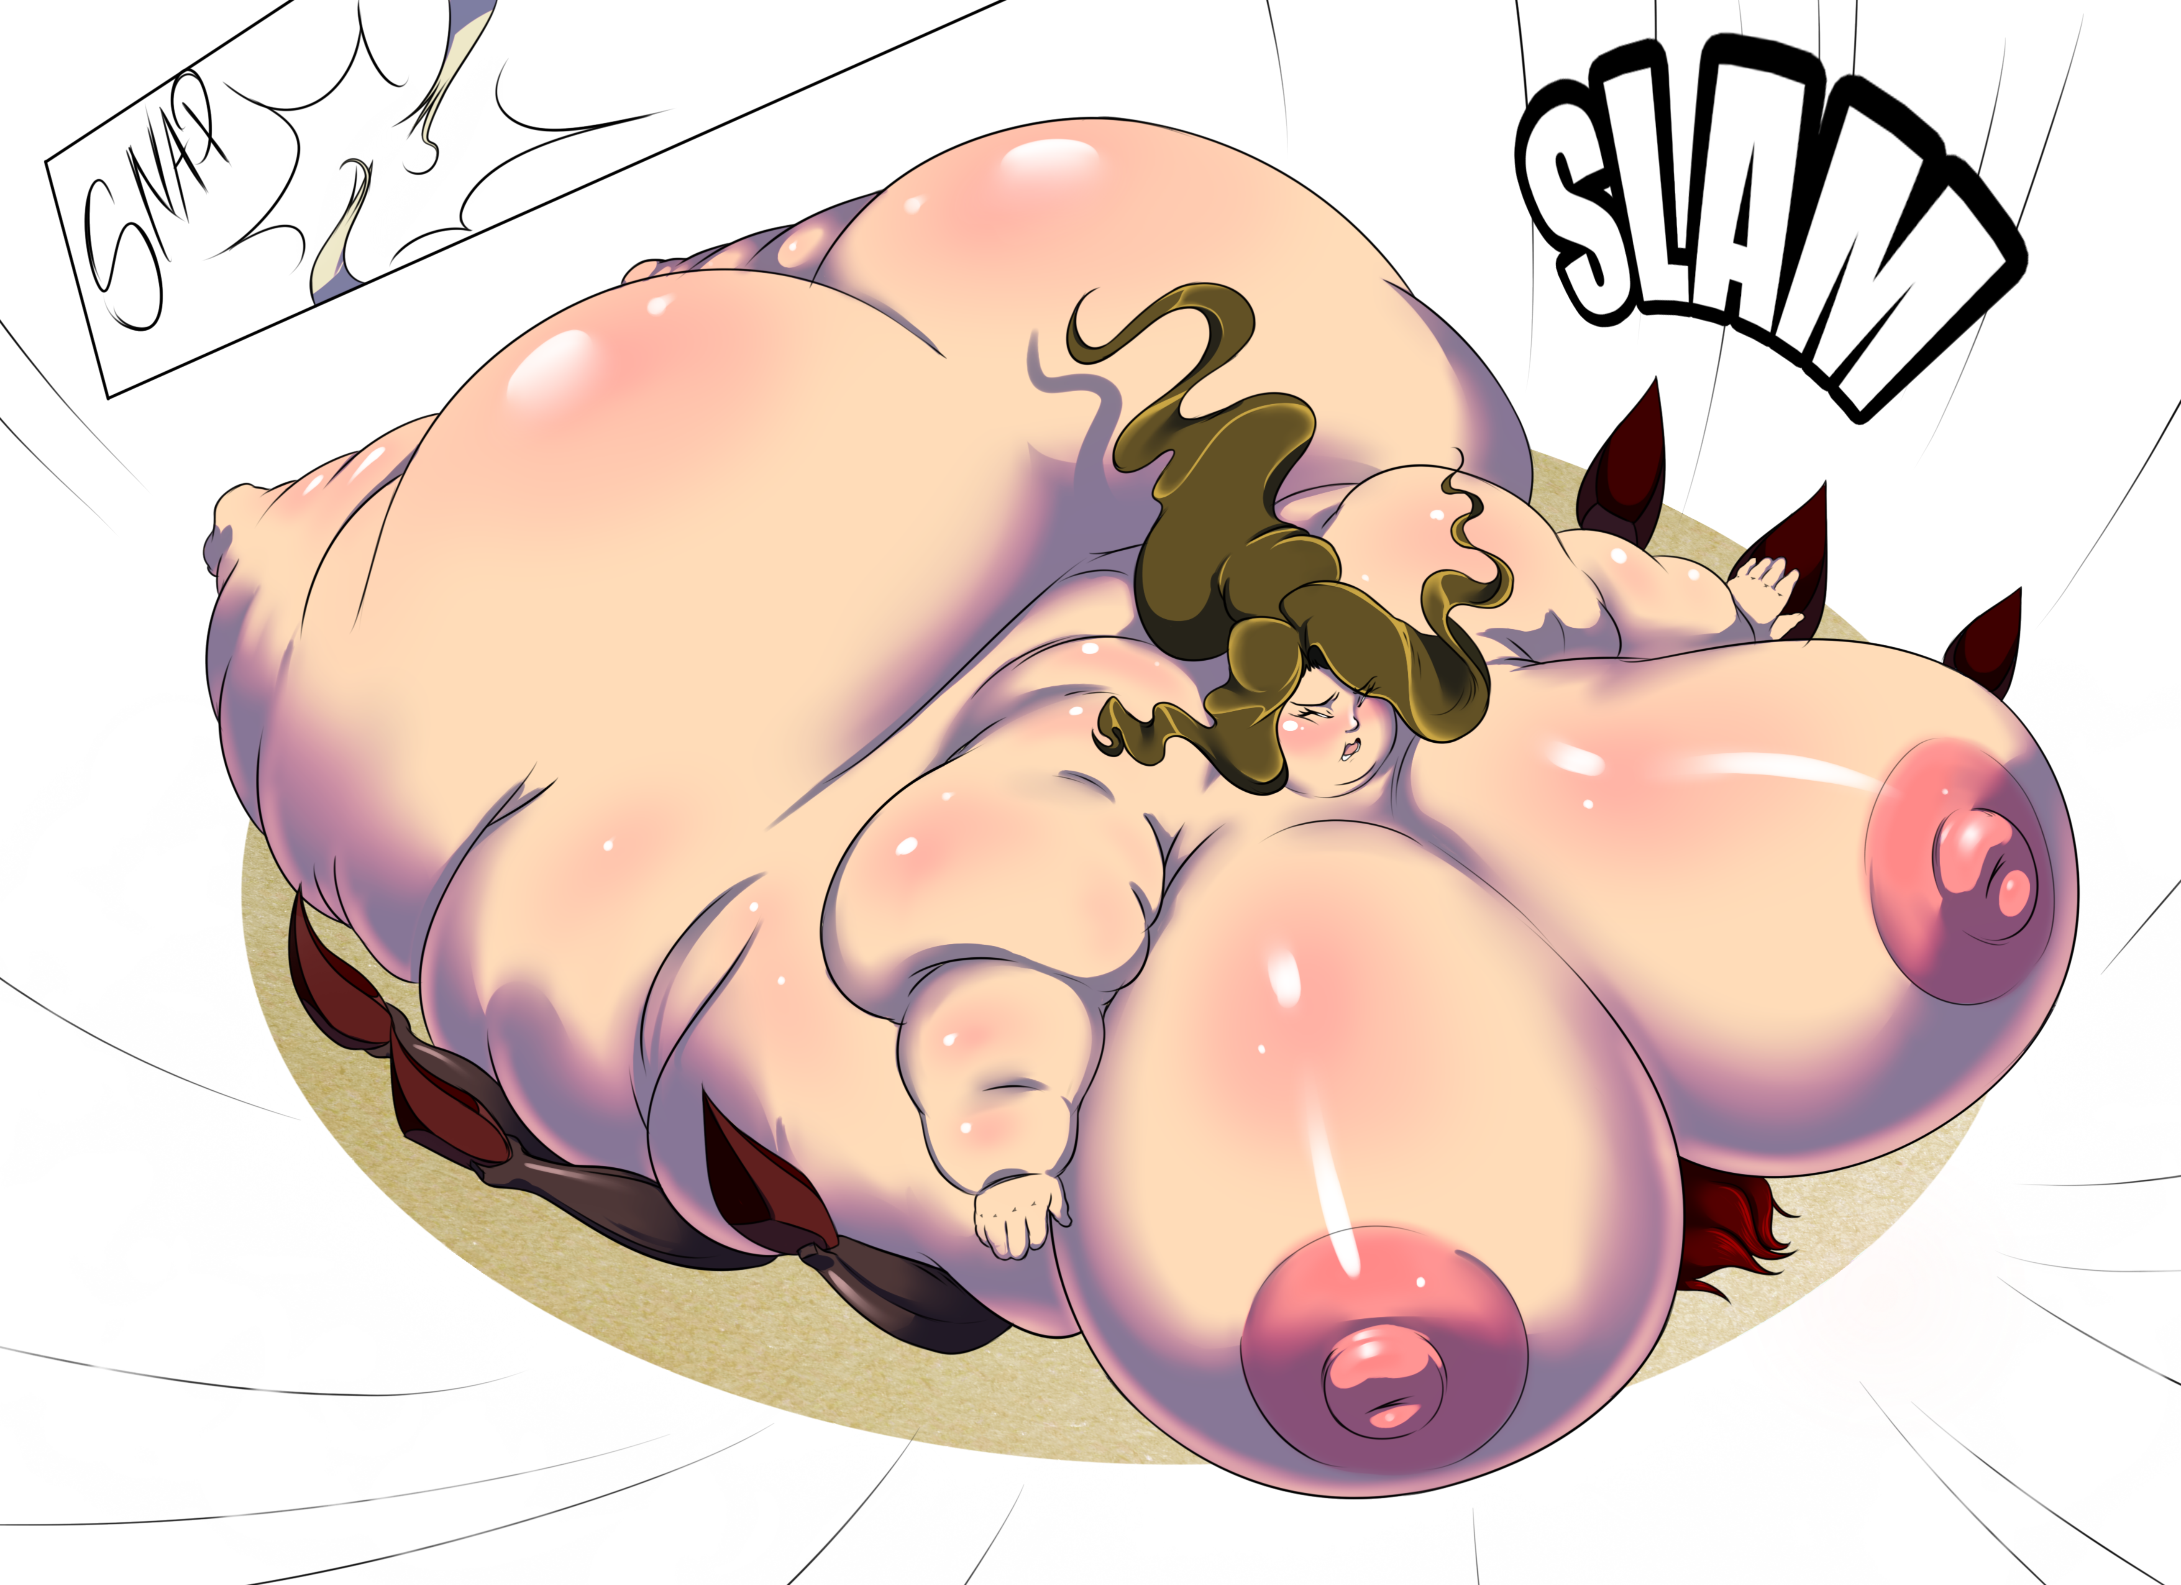
HMM, SUCH HIGH QUALITY FLESH, I'D JUST LOVE TO NIBBLE ON IT, BUT I'M FAR FROM FINISHED WITH YOU!



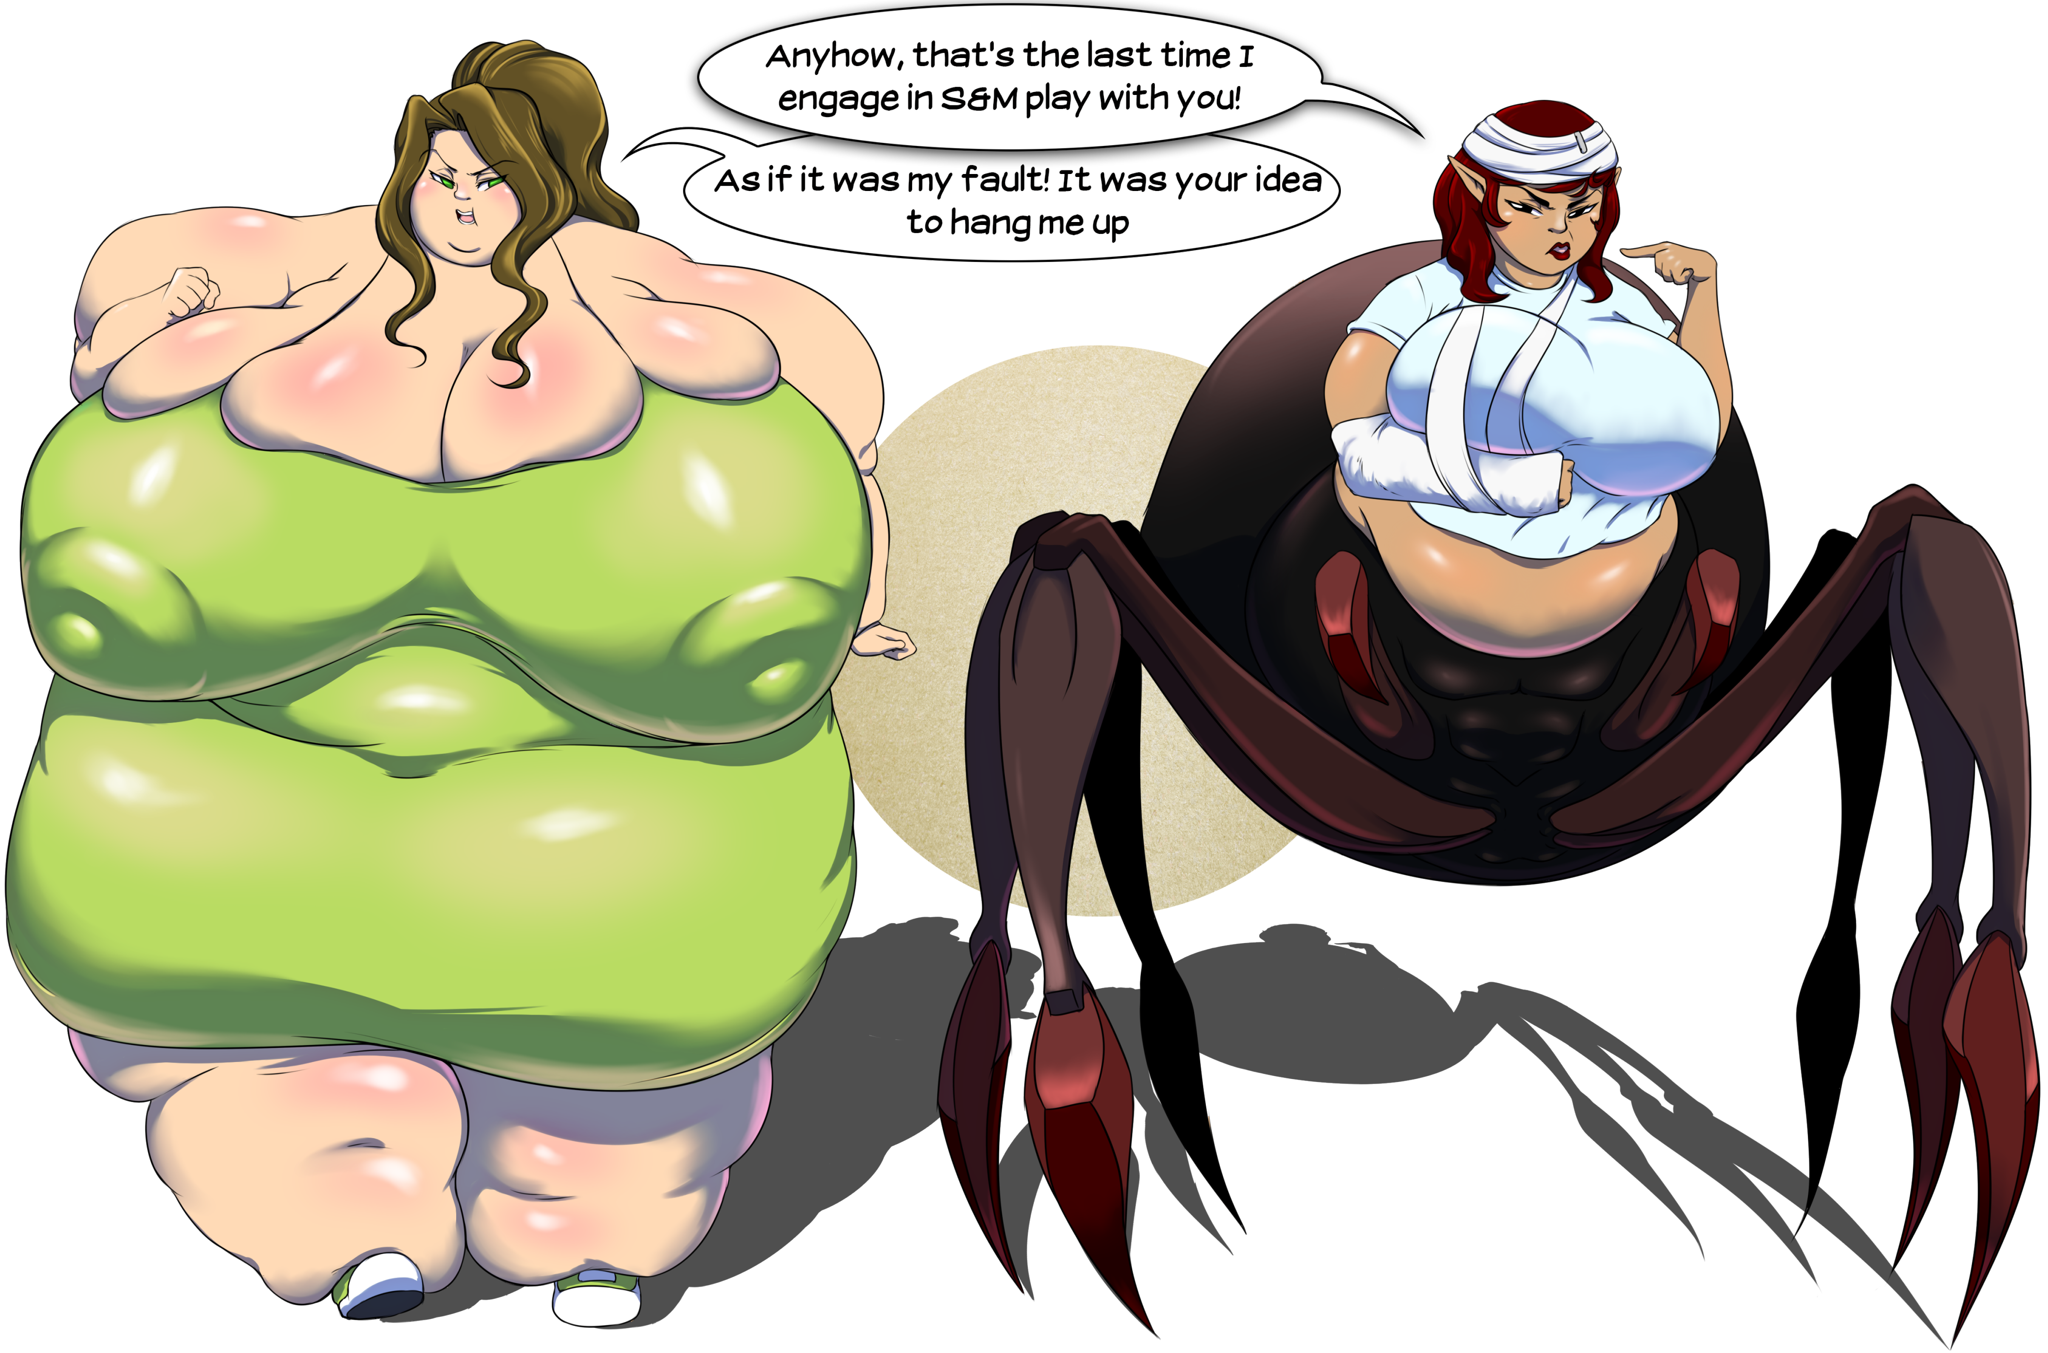
So fat and soft! We're nearly there... One or two days should do the trick.



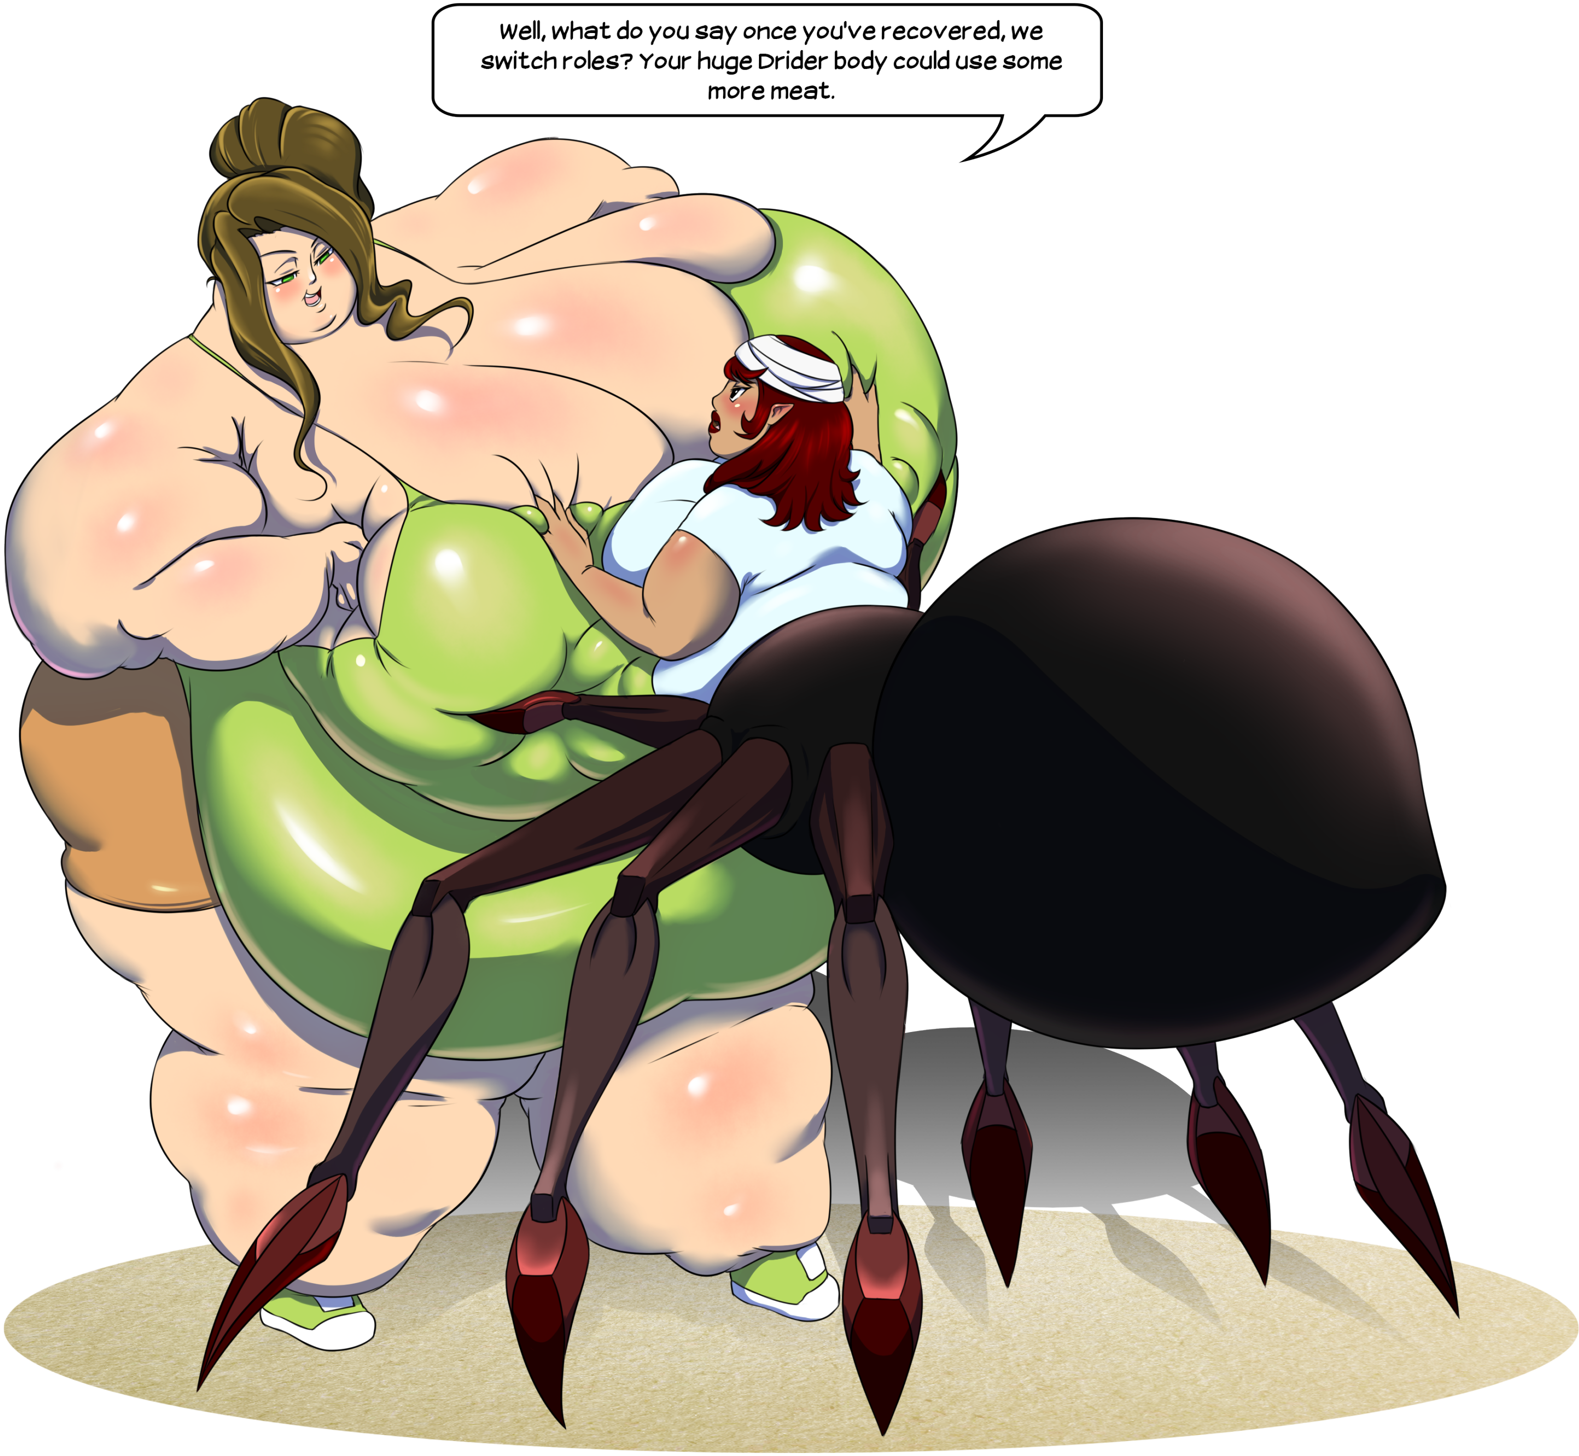
Hmm, I could just eat you up...



SNAP
SLAM



Anyhow, that's the last time I engage in S&M play with you!
As if it was my fault! It was your idea to hang me up



Well, what do you say once you've recovered, we switch roles? Your huge Drider body could use some more meat.
